## Got Something You Want to Sell?

Most people have a piece of furniture, a farm implement, or something else which they have discarded and which they no longer want.

These things are put in the attic, or stored away in the barn, or left lying about, getting of less and less value each year.

## WHY NOT SELL THEM?

Somebody wants those very things which have become of no use to you. Why not try to find that somebody by putting a want advertisement in THIS NEWSPAPER?

## SECRETARY OF BAPTIST STATE BOARD PRAISES LOCAL PASTOR

In his remarks at the Baptist Church Sunday morning, which were along the lines of the mission work of the Baptists of North Carolina, Dr. Charles E. Maddrey, Secretary of The Baptist State Board, praised Dr. Chas. Anderson, Pastor of Scotland Neck Baptist Church, who is also Chairman of the Executive Committee of Roanoke Association, in the most glowing terms. He said that he would state here, what he has told the Baptists all over North Carolina, that Dr. Anderson is the best executive head he has in all the State; that under Dr. Anderson's direction The Roanoke Association is the very best organized association in North Carolina. He especially complimented the local pastor on his efforts and the time he gives the superintending of the work, and spoke in the highest terms of the Scotland Neck Church in allowing the pastor the time for this great cause.

The Executive Committee, of which Dr. Anderson is Chairman, has under its directorate sixty-eight churches, in nine counties, in Eastern North Carolina.

Scotland Neck people, and especially members of the Baptist Church, are proud of the showing Dr. Anderson is making. May his wonderful accomplishments be an everlasting monument to his memory among the Baptists of North Carolina.

## LITTLE GIRLS SING

Two little girls—sister, ten and twelve years old, respectively, sang most beautifully "His Plan," at the Baptist Sunday School Sunday morning. Their voices were sweet and well modulated, and they kept perfect time with the instrument. It has been noticed for sometime that these little girls are far ahead of the average child in their talent for singing. They are the daughters of Mr. T. E. Butler, who lives east of the railroad, on Tenth Street.

## Attention Ford Owners!

Ford parts, like almost everything else worth while, are counterfeited. Imitation parts are manufactured to SELL at the highest possible rate of profit and the grades of steel used are consequently not the same high quality, specially heat-treated alloy steels specified in Ford formulas for the manufacture of GENUINE FORD PARTS.

Don't be misled—Insist upon GENUINE FORD PARTS made by the Ford Motor Company. By so doing you will get from 35 to 100 per cent more wear from them, and you will pay the lowest possible cost—the same everywhere.
